

The Michigan Dental Association is recommending we limit our care to emergency treatment only for at least the next two weeks. Therefore, Hamilton Pediatric Dentistry will be closed from 3/17/2020 – 3/29/2020. We will continue to monitor the situation as the length of time the office is closed could be longer.

If your child has a dental emergency, such as trauma to the mouth or facial swelling, please contact our emergency care line @ 919-308-6292. Dr. Hamilton makes every attempt to answer each phone call within 24 hours.

Thank you for your understanding and cooperation, we are hopeful that we can get back to business as usual in the very near future.
